
From Our Baron and Baroness

Season's Greetings Unto the Populace of Stargate!

First and foremost we'd like to thank all those Stargaters who offered their time and cooking talents for BAM. Without you, Stargate's Hospitality tent would not have been the success it was. The positive comments and thank yous were abundant for the hot soups and other yummy tidbits. The weather was somewhat of a factor in that was a bit on the chilly side and bonny moist. Hence the soups were a welcome delight, but we could have done without the rain. We thank the following individuals: HG Ebergardis, HE Genevieve, HL Anne Barrington, HL Fedelm, Lord Malachi, Lady Maureen, Lady Ciarnet, Lady Lorian, Lady Maria, M'lady Isolde, Faelon and another Shadowlander whose name we misfiled. If we forget anyone, please forgive us, but know that your help was greatly appreciated. We could not have done it without you. We do have one regret: that the Stargate pavilion proved too small to share with all who would have like to stay dry.

Gulf War is on the horizon (ACCEPS is now open) and shortly behind that will be Baronial. The plan is for a joint Baronial with Loch with the possibility of Bordermarch being included this year. We will keep you posted as things develop. We hope to know for sure shortly. Regarding Gulf War, remember to pre-register indicating you're camping with Stargate; this will determine who much land we are allotted. When you register, please notify Baron Ihon, as he will pass on all information from the Coast to Lord Adolph of Bordermarch, who plans to get on site early to claim our land.

In closing, We wish you and yours a joyous holiday season and prosperous New Year. If your plans include traveling, please be mindful and come back to us safely.

Happy Holidays,

Ihon & Isabeau
Baron & Baroness

From Our Seneschal

Greetings to the Populace of Stargate and all good neighbors near and far!

At Bordermarch Autumn Melees, the hospitality of Stargate was shared with all as Their Excellencies coordinated an outstanding hospitality pavilion, where wonderful hot soups and a variety of sides were served. Many people stepped up to assist in this effort, and it was truly wonderful to see how successful it was. The weather was chill and wet the entire morning and afternoon – perfect soup weather!

Many thanks to everyone who participated in making Stargate Yule a fabulous event, and to our co-autocrats, Lady Petronia (Lorien) and Lady Isolde a hearty Vivat! The event was well attended and there were a good number of activities throughout the day for everyone's enjoyment. It was AWESOME to have His Majesty join us for the day and recognize members of our populace for their efforts. Congratulations to Lady Isolde die Waeyer, who received her Award of Arms; Don Corvin Fenarro and Lady Petronia Casta, newest members of the Sodality of the Sentinels of the Stargate; Lady Sarra Asshton of York, for her Sable Thistle in Weaving, and Honorable Lady Magdalena von Hallenberg, who was elevated to the Order of the Iris of Merit. Congratulations to all!

Most of my time was spent witnessing some of the best bardic the kingdom has to offer in the Kingdom Eisteddfod. While the field may have seemed small with only six competitors, the performances were anything but! HL Mea Passavanti and I did our best to represent Stargate, as did our own outgoing champion, Lord Goldweard. HL Mea was one of the three finalists in the competition. All of her performances were outstanding. After Eisteddfod, the Stargate Bardic Championship was held. Five competitors entered – several who had just competed in Eisteddfod as well, and the new champion is none other than the former Premier Bard herself, Honorable Lady Catrin ferch Maelgwn.

In the field of Arts and Sciences, there were several exceptional entries in the championship. Honorable Lady Cristyana Lambrecht did once again prove the victor with a fine body of work entry that included costuming, pottery, and hat making. There is just no end to her amazing talents! Well done! Mistress Hillary Greenslade was also recognized in court for her outstanding enamel work.

Gulf Wars looms now on the horizon and ACCEPS is now open! Time to start looking into our war chests, mending our arms and armor, stocking up on supplies, and making camp plans. Ansteorra benefits from everybody who goes to war – those who fight, serve, educate, entertain, merchant, etc. ... there's something for everybody, and every one of us adds to the might of Ansteorra!

In Service,
HL Alden Drake
Stargate Seneschal

Who are we?

The Barony of Stargate is a local chapter of the [Society for Creative Anachronism](#) (SCA), within the [Coastal regional](#) subdivision of the [Kingdom of Ansteorra](#). The SCA is a non-profit, educational organization dedicated to learning more about the Middle Ages through reenactment. There are SCA chapters worldwide and they hold regular feasts, tournaments, balls and battles.

Ansteorra includes all of Oklahoma and most of Texas (except El Paso). Stargate includes most of greater Houston. Stargate's sub-chapter is the [Canton of Westgate](#), which includes the western and southwestern portions of Houston. Wherever you are, we're a friendly group of people, so why not visit us all?

From the Minister of Children

I hope that the children's activities at Yule were fun for those attending. Suggestions are always welcome. If you have an idea for something to teach the children, or an activity you think they would enjoy, please let me know. We have upcoming events! Thank you!

Fedelm ni Uidhir

Snow scenes and stories in Stargate? One activity to help tell stories about snowy days is to make a snow scene. You can use a large plant saucer or shallow box, and use common table salt to create a snow area. We used to use tiny wooden houses and other toys in telling stories like "Katy and the Big Snow" and pile up the snow drifts to bury the houses. A period story to tell might involve the "Birch Legs" of Norway, skiing over the mountains with the infant prince Haakon (IV) from one hiding place to another, to keep him safe from his enemies. A box or two of salt costs very little, and you can use paper clips for snowshoes or make craft stick skis (or snow boards!) for your small action figures. If you want to know more about the "Birch Legs", you can check them out on line (or try Birkebeiner, to avoid the furniture hits!).
