

Two Towers

Newsletter of The Barony of The Stargate
May 2006

From the Seneschal

Greetings to the people of Stargate.

The month of April has been eventful! I would greatly like to thank Annes and Maria for putting on a wonderful event. It's fun to see everything so successful!

We are currently looking for a location for Yule. If you know of a place, please let me know. Now is the time to book a place.

We are also looking for someone to step into Brenna's place as Reeve. She has served our Barony for quite a while, and would like to step down. If you have a strong grasp of book keeping, and would like to be of service we could really use your expertise. Please feel free to contact myself, or Brenna. We'd be more than happy to talk with you about it. Don't be surprised if we come to you to discuss it! Your Barony needs you!!!!

Yours in service to the dream,
Lady Vasilisa

From the Historian

Greetings Unto the Populace!

I hope everyone had a great time out at Camp Camwood for our Baronial event "Travels with Marco Polo". That all stayed cool and hydrated and much merriment was had and our history continues to unfold.

Speaking of history, I would love to see some of you write your memories for the newsletter. Contact me if you would like me to suggest a topic for you. My email is [annescvb at gmail dot com](mailto:annescvb@gmail.com)

I think this would be a great addition to our newsletter. Until then, I remain...

Forever in Service,
Annes

From the Baron & Baroness

Greetings to Ansteorra's premier populace from ihon & Isabeau.

As we write this missive we are a scant 48 hours from Stargate Baronial. It hardly seems possible that over a year has passed since our investiture. I hope it has been as good a year for you as it has been for us. Interestingly, in talking with our cousins throughout the kingdom, general consensus is that it takes at least a year just to get a feel for the 'pointy hat' and the duties and possibilities that go with it. We are blessed to have such a supportive and energetic populace and we thank you all.

Right now, though, we especially want to thank everyone who is working so hard to make Baronial a fun and exciting event: event steward Mistress Annes and her deputy Lady Maria, head cook HL Gerald of Leesville and all the cast and crew they've assembled. We also thank our inaugural champions, Centurian Ysfael Bryndu, Don Allesandro Andretti, Lord Leofwine of Somerset, and Lady Christyana Lambrecht. You have served us when asked and we take great joy in having you as our first champions.

During the year, we've asked for input on how to make the game more fun, how to attract newcomers and how to reach out to those who have slipped away. You've not only shared many good ideas, you've put your labor where your mouths were. We received so many complements on Yule. One comment underscores both our challenge and our movement in the right direction: someone planned to skip Yule because of something that person had heard about Stargate. After coming, this person reflected that it was one of the best events ever attended. I suppose we all need to remember, wherever we are, we are Stargate. So have fun and make it fun for everyone around you.

Also, as we write, the temperature is climbing into the 90's. Do you think perhaps Ansteorra's seven months of Summer has begun? Play safe, have fun and drink plenty of water.

Joyfully in your service,

~i&I~

From the Herald

Have you been flying a kite lately?

While they are often quite beautiful, they are also notoriously fragile. A good strong wind could break a spar or a string and send your beautiful kite to the trash heap.

Not having your name or device registered is like flying a kite in a hurricane. It could be gone in a snap!

Abjure the why and seek the how.

Classes are informal and are open to beginners and experienced dancers alike. We focus on English Country Dance primarily from Playford's first edition, Court dances, 15th and 16th century Italian dance, and French dances from Arbeau.

We meet on the second and fourth Sunday of each month from 2pm - 4pm at Oaks Presbyterian Church, 1576 Chantilly. This is near W 43rd and Ella in northwest Houston.

There is also a Dance Guild in southwest Houston each Thursday night from 7pm - 9pm. Contact Perronnelle for information: 281-277-4055 (no calls after 9pm).

Stargate Scribe Guild

Join us for Stargate Scribal Guild and paint for Kingdom and Baronry. We meet on the 1st and 3rd Tuesday nights at the UH fighter practice 7 p.m. All skill levels are welcome including youth who are interested in scribal arts and painting. We had several people join us last month and had a great time.

Ladies Mea and Cristyana are waiting for you!! So come out and paint.

Hospitaler's Hideaway

Well everyone. The Newcomer's meeting at my house was a great success. We had 3 newcomers come and had a great talk about what the SCA is and what we bring to different events.

The next meeting will be May 10. I'm not sure where yet, but it will be announced on the email lists.

I want to take the time now to thank Ciarnat for coming to help out at the Demo at the Emerson School. If it hadn't been for her, I don't think the thing would have come off. I got stuck in traffic behind a car accident on 45 and got there about 10 minutes late. She took care of everything and handled the demo with grace. I appreciate her help greatly.

That's about all for now. Everyone have a great month and take care.

In Service to the Dream,
Lady Elizabeta Maria dei Medici,
Hospitaler - Barony of the Stargate

From the Virtual Scribe

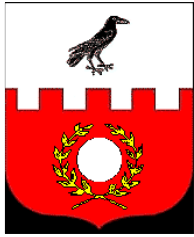

The May Link of the Month is recently updated site of The Viking Answer Lady (<http://www.vikinganswerlady.com/index.shtml>).

Her mission, in her words, is to "encourage more people to learn about the Viking Age." Toward this end, she provides well-written, scholarly answers (with full citations) to questions of every sort, many of them submitted by young people. She does warn students that she will not do their homework. The teachers among us will particularly enjoy this actual email she received from a desperate student: "Dear Viking Lady, I need to know everything about the viokings their culture and ships and prove that they were the first dicoverers of the USA. And hurry, it's due Thursday, hurry." Ah yes.

She has collected the answers to many questions, some deep, some trivial, on topics from their daily life to their warfare to their religion and myths. My fave Daily Life question: how tall were Vikings? Brief answer: on average, just a little less tall than modern people: men were about 5 ft 7-3/4 in. tall and women 5 ft 2-1/2 in. Whether or not the Vikings are the be-all and end-all of your SCA experience, if you like learning about history, I can definitely recommend this site as an excellent browsing entertainment value.

Have a site you really like? Send it to me and I'll share it with the rest of the Stargate!

Yours in Service,
Lady Merewyn de Laugharne
