

From the Baron & Baroness

Greetings unto our wonderful Populace!

We can't believe it's October already and almost half way through the fall tourney season! The year is just flying by. Next thing you know, it'll be December and time for Yule Revel!

We want to thank all of the Stargaters who were able to join us at Raven's Fort, Bryn Gwlad, and Coronation in September. We enjoyed spending time with you all, seeing you fight, shoot archery, ride horses, serve feast, sit gate, or jump in when help was needed. We really appreciate how much each and every one of you contributes to the well-being of the Kingdom wherever you go. You folks are a big part of what makes the Barony of Stargate so great!

For those of you who were not able to travel in September - please know that we missed you and look forward to being able to visit with you in the months to come. We hope to see you at Populace, fighter practice, one of the guild meetings, an event, or Stargate Yule!

Speaking of upcoming events - here's where we will be in the next few weeks:

- 10/15 Legacy of Lions in Bjornsborg (in Seguin at the Outdoor Learning Center)
- 10/22 Queen's Champion Tourney in Hell's Gate (at Camp Mabry in Austin)

We will be bringing the Baronial Pavilion to most of these events so that we all have a home base during the day. Please join us for setting it up, taking it down, and filling it with camaraderie all the time in between!

We look forward to seeing you all out and about!

Many fellow Stargaters are often approached by the public, sometimes during fighter practice, for contact and basic information concerning what SCA is all about. Please do not hesitate to e-mail me about this and I will be certain to place some SCA business cards and other literature in your hands for just such an opportunity.

Sadly, due to wildfires in the area, Gate's Edge had to cancel their event known as Bring Out Your Dead. They invited all those interested in meeting up with them to Meyer Park for a potluck and showed us some mighty interesting previews of what we can expect in the future when they can host the event. They have worked diligently, with foresight and talent, on this and my family is looking forward to enjoying that event some day. While at the potluck in the park, I set out a table of SCA literature and business cards and decorated the area with many banners to catch the eye of passersby. A man and his children came to the table asking what we are all about. He left smiling, after an interval whereby I shared what we do and placed in his hands the literature, business card, and back issues of *The Black Star*. A man and woman stopped at the table: they are former SCAers now participating in AMTGARD (we forgave them). Caitilin the Celt spoke at length with them, asking them to come back to the SCA.

Every time you meet up with someone who does not yet know about the SCA and they seem interested after you share with them more information, that is the time to give them a business card and invite them to an event or Populace meeting. Tell them to visit the Stargate web page and look it over. If they see something that really interests them, tell them to just show up at whatever it is and get involved. We have been fortunate to have had a number of the public attend a meeting or two and some that are returning SCAers that have just been away for a while and want to get back into it. Offer to carpool with newcomers to meetings, guild meetings and events. If carpooling is not your style, forming car caravans are helpful, too. The SCA Census report data revealed that a large number of persons that responded to the Census questions became involved with the SCA because someone told them about it and invited them to participate.

We have a well-stocked collection of clean loaner garb, for men, women, and children, in assorted sizes for all. Please let any and all newcomers or guests you've invited to events know it is available for their use and to contact me about it. The loaner garb racks will be at Stargate's Baronial and Yule events.

Tell everyone you know, in local and distant SCA groups, the mighty and generous Barony of Stargate will be providing a hospitality tent at Bordermarch Autumn Melees (BAM), near the fighting fields. We will be serving a variety of hot, flavorful soups, hot beverages like tea and cocoa, cornbread and dessert. All this bounty is free for everyone to partake of. One year, BAM had serious cold and drizzling weather; the soups really warmed body and soul on that afternoon.

Everyone is a hospitaler at heart!

MoAS

Lady Isolde
die Waeyer

Since the weather has decided to cooperate, Arts in the Park is back! We will meet on the 2nd and 4th Sundays beginning at 10:00 am (in other words, at the same time as the armored combat and rapier fighter practices) in Memorial Park. Artisans are encouraged to come work on their projects while enjoying the company of fellow members of the barony. There are picnic tables in the park, but bringing a chair is never a bad idea. Ideal projects are those that are easily portable, easily contained and not likely to suffer any damage from spending time out of doors. Hand-sewing, embroidery, weaving, beading and other similar projects tend to work great, but C&I work; cooking and dyeing are generally not as well suited.

Also, bards are welcome in the park, whether you'd like to practice a new piece for an audience, or just keep us entertained while we work. Since the park is a public space and quite busy on the weekends, please be prepared to chat with any non-SCAdians who wander over to ask questions.

This month is full of opportunities for artisans to display their work and enter into competition with others throughout the kingdom. This Saturday, October 8, Their Excellencies Cael and Rhiannon will choose the titled artisan of Loch Soilleir at Lochtoberfest III. On October 15, Bjornsborg will be hosting their Legacy of the Lion event, which will include a themed A&S contest. Also on October 15, Loch Ruadh will be holding an A&S competition at their Fall Brawl event to select their new A&S champion. On October 29, both Seawinds and Eldern Hills will select their new champions as well.

On that note, it is my pleasure to announce that Their Sentinel Excellencies will once again choose a new A&S champion for the barony at our Yule event, which is scheduled for December 3. Look for more details soon here and on the email list!

From the Officers (continued)

Rapier Marshall

Lord Collwyn
O'Snowdon

September rapier practice was hit and miss. The first practice on Sept. 11 had six fighters; the second practice on Sept. 25 had one, but we were up against Bryn Gwlad's event so I wasn't expecting much of a turn-out.

October practices will be on the 2nd and 4th Sundays. I will not be able to attend the first practice on Oct. 9, as I have a previous engagement. But the practice will still happen, as His Excellency Baron Robert will be present so we are covered. The second practice on Oct. 23 is up against Queen's Champion the previous day, so I will be gauging interest as it gets closer.

We will continue to hold practice in Memorial Park at 10:00 am, though we will be reviewing a time change ... well, when the time changes (when we switch from DST to normal time, or however that works).

Also, upon review of our loaner gear, I find I am on the look-out for gorget, so if you have an old one that you wish to donate please contact me. In the meantime, I will try my hand at making one out of leather. I also had a volunteer at populace who is willing to try his hand at making one also, but I afraid I didn't get his name.

Please feel free to contact me at rapier@stargate.ansterora.org or 832-429-5338 if you have any questions about rapier combat in Stargate. Loaner gear for practices is available upon request.

Knight Marshall

Lord Æringr (Orin)
Ketilsson

As many of you know, but perhaps not all, I am your new Knight's Marshal. I have been a fighter for 20 years this year. I have been KM in multiple shires and a barony and feel up to the task. I am looking forward to seeing you all at practice. I also have a deputy in place already, in the form of an old-school squire by the name of Leif. He will run practice when I can't.

On that note: practices are happening! We are at Memorial Park on the 2nd and 4th Sundays of the month. Practice starts at 10:00 am and goes until we get too tired to fight or people have to leave for other engagements. There is loaner gear available, mostly. There is no shield, and there are no weapons, but there is armor. There are several new fighters coming out, and several who have expressed interest in combat archery. So if you're an old fighter getting back in the game, or you've always been curious, come out and give it a shot.

As the weather cools many fighters find themselves sweating less, or not realizing how much they're sweating because it is evaporating. Do not be fooled by this! Fighter should still consume plenty of water before, during, and after fighting. Just because you're cooler on the outside doesn't mean your body isn't burning up on the inside; keep it hydrated.

As fall approaches, we tend to wear more clothing on the outside and disregard a base-layer of some kind. It's always best to have a fabric against the skin to act as a wicking agent, to carry the sweat away from the skin. On that note, don't wear cotton. Cotton holds sweat, gets cold, and drops the body's core temperature. There are many synthetics that make a great base-layer. A lot of fighters wear Under Armour®, which is a great idea, but you don't have to; as long as you have a base-layer on that isn't cotton, you should be fine.

Please feel free to contact me at marshal@stargate.ansteorra.org or 972-820-1586 if you have any questions about armored combat in Stargate.

Exchequer

Baroness Genevieve
McCullum de Caen

It is with mixed feelings I announce that the position of Stargate Exchequer is now open due to my accepting the position of Deputy Treasurer for Gulf Wars XXI. Applications will be accepted until November 7, 2011.

Being the barony's Exchequer is a fun and exciting way to serve the barony! It doesn't take as much time and training as you would think. The forms furnished by the kingdom and corporate are easy to follow (I finished August's report in about 10 minutes) and due to the excellent job done by our previous exchequers, the records are in great shape and have many of the answers to questions you may have. Also, our previous exchequers are available and generous with help and hints to make the job even easier.

I have greatly enjoyed serving the barony in this way and you can, too! If you are interested please send an application (forms can be found on the kingdom website at <http://seneschal.ansteorra.org/forms/ApplicationJan08.pdf>) to the Seneschal, the Baron and Baroness, the Coastal Treasurer and the Baronial Exchequer's office.

Detailed information about the office of local exchequer, including the requirements for holding office and duties and responsibilities, can be found at <http://treasurer.ansteorra.org/files/policies/LocalExchequerHandbook.pdf>.
